CATARRH!

CATARRHAL DEAFNESS--HAY FEVER

A New Home Treatment

SUFFERERS are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrane of the nose and eustachian tubes. Microscopic research, however, has proved this to be a fact, and the result of this discovery is that a simple remedy has been formulated whereby catarrh, catarrhal deafness and hay fever are permanently cured in from one to three simple applications made at home by the patient once in two weeks.

N. B.—This treatment is not a snuff or an ointment; both have been discarded by reputable physicians as injurious. A pamphlet explaining this new treatment is sent free on receipt of stamp to pay postage, by A. H. Dixon & Son, 337 & 339 West King Street, Toronto, Canada.—*Christian Advocate.*

Sufferers from Catarrhal troubles should carefully read the above.

Because.

A Woman's Reason for Using BRAINERD & ARMSTRONG'S Wash Silk Thread for Embroidery.

BECAUSE the Societies of Decorative Art in New York, Chicago and St. Louis, the Associated Artists of New York, the Philadelphia School of Art, and many others, all use them.

BECAUSE at the 58th National Industrial Exhibition at the American Institute, the most delicate colors of their Embroidery Silks, such as are used in high decorative art, were subjected to the severest tests and awarded the highest honors.

BECAUSE their Rope, Twisted Embroidery, Outline, Filo, Silk Floss, Couching and Knitting Wash Silks, not only in the common colors, but in such shades as Olives, Bronzes, Fawn, Turquoise, Terra Cotta, hold their color for years, and stand exposure to light.

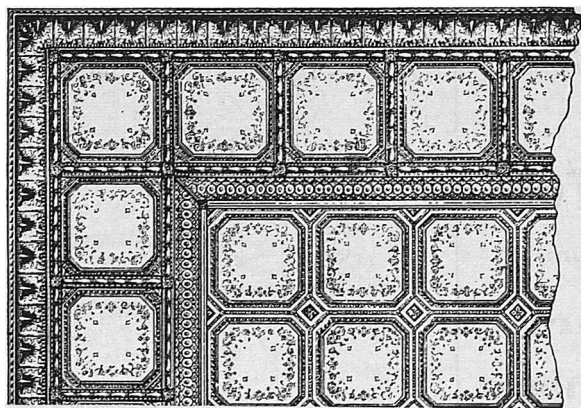

BECAUSE at their factory in New London, Conn., they have recently discovered a new process of dyeing which places their Wash Silks for Embroidery far in advance of the silks of any of their competitors, and makes them the "Best in the World."

BECAUSE the Brainerd & Armstrong Co. are constantly seeking to keep up with the demands made upon them for the best that can be manufactured; and if you find your storekeeper is out of their goods, by sending your address to any one of the branch stores given below, you will receive a book giving prices and much information relating to the goods they manufacture.
